ADMIN			
Updates	Several board members were missing due to influenza.		
	Sean Love will need to retire from the board because of job demands. He will be sorely missed. Other members not present will be asked if they want to stay on the board. Everyone present wanted to continue. Several new board members are needed. It would be nice to have someone with good writing and computer skills. The GDCA will need someone to manage the data base, which Sean has been doing.		
Membership	Explain that the people who previously signed up online will be given the opportunity to continue automatic renewal online. They will be notified a week before their renewal date.	The mail out will have the spring calendar of events on the back so members can put the dates in their calendars or display on their refrigerator. The letter will go to everyone in the neighborhood. An explanation of auto renewal can go out in an email.	
SECURITY			
Speeding	There was a discussion of what the patrols can do. Officer Wheat said that they can give tickets for speeding and parking across sidewalks if we wish.	When tickets for speeding were administered in the past, they were mostly given to residents of the Garden District.
